

**Cedar Grove PTA
Rodell Lee Swimming Scholarship**

Rodell Lee was a student at Cedar Grove Elementary School who drowned in 2006 just before entering 3rd grade. The PTA has worked with the Lee family in establishing a meaningful memorial scholarship in Rodell's name. We are proud to continue this memorial scholarship this year. The British Swim School at Healthtrax Fitness & Wellness has generously donated the lessons for this year's scholarship winner. All Cedar Grove students who have not previously been awarded this scholarship are eligible to apply.

The winner will receive one month of free swimming lessons conducted by the British Swim School at Healthtrax Fitness & Wellness, located at 20500 Seneca Meadows Parkway in Germantown. The parents of the scholarship winner will work with Healthtrax to arrange the times of the lessons.

To apply for a scholarship, please provide the following information:

Student's name: _____ Sex: Male/Female

Teacher & Grade: _____

Parents' names: _____

Phone number: _____

All applicants must answer the following question in **100 words or less**. Answers should be in the child's own words, and preferably written by the child. Parents may help younger children write but, again, the answer should be in the child's own words.

"Why do you think learning to swim is important?"

The Rodell Lee Memorial Scholarship committee will review all applications and choose a winner by Friday, May 31, 2015. **Only applications received by Friday, May 15, 2015 will be considered.**

Any questions should be directed to Laurie Whitney at whitneyjl@verizon.net.
