

In honor of Earth Week, the Cedar Grove PTA is proud to sponsor our next Cultural Arts Assembly of the year, which will be held on Monday, April 24th.

Mother Earth & Me!

This theatrical performance is being brought to us by the Smithsonian Associates Discovery Theater troupe, which is the same theatrical group that brought us "How Old is a Hero" earlier this year. "The magic of earth science takes center stage in this fun, interactive Discovery Theater original as we explore the origins of our planet, the water cycle, and our important role in the ecosystem, as well as folklore about the "big blue marble" we call home. Kick off Earth Week by pledging to become an Earth Warrior".

If you would like to learn more about this show, or more about The Smithsonian Associates Discovery Theater troupe, please feel free to visit their website at: <http://www.goartivate.org/product/discovery-theater-on-tour>. We hope your children enjoy and learn from this assembly!
